

## The game-changer for small-space cleaning

Nilfisk Dryft is the effortless way to a deeper, more efficient clean. More hygienic than a mop, and the size of a stick vacuum, our first stick micro scrubber cleans all those hard-to-reach places with ease – congested spaces, awkward corners and edges, narrow gaps and around obstacles. It's the mop's natural successor for the times we live in.

- Removes harmful bacteria efficiently.
- Orbital scrub head delivers high cleaning performance (4200 vibrations per min.)
- Uses 1/3 less water compared to similar products
- Quick battery charge and swap with 1 hour run-time/charge time
- Magnetic click-on/off system for quick replacement of pad.
- Quick-release squeegee with a tool-free design.
- Service kits for easy replacement
- 3 button control board with easily adjustable settings.
- Effective "S" movements, making it easy to clean large areas quick and effective.
- Low profile scrubbing deck to clean below furniture and shelves
- Unique scrubbing deck shape for corner and hedge cleaning
