**VR 35 Max:** Creating a clean workplace environment

## **FloorBot VR 35 Max** Product Brochure

# About FLOORBOTICS

FLOORBOTICS employs cutting-edge technology to create set-and-forget robotic cleaners that run autonomously 24/7. With just a simple touch of a button, our robots spring into action, work on your tasks, and then notify you once they have completed their assigned tasks. With the use of sophisticated “set and forget” technology, daily cleaning problems can be minimised, leading to significant reductions in your ongoing expenses.

# Leader in Robotic Cleaning Solutions

# FloorBot VR 35 Max

**With an autonomous auto-refill, auto-emptying, and auto-clean workstation equipped with onboard water tanks, capable of being connected to fresh clean water and a waste water system.**

Introducing the FloorBot VR35 Max - the ultimate robot vacuum cleaner equipped with cutting-edge 3D Detection Linear Laser technology.

Effortlessly maintaining your floors has never been easier with the FloorBot VR35 Max. This advanced robot vacuum utilises state-of-the-art 3D Detection Linear Laser, enabling precise navigation and thorough cleaning throughout your commercial industrial facilities.

Say goodbye to missed spots and tangled cords. The FloorBot VR35 Max intelligently maps your space in three dimensions, ensuring thorough coverage and efficient cleaning. With its innovative laser technology, it can accurately detect obstacles, effortlessly manoeuvring around furniture and other objects.

Equipped with powerful suction and advanced sensors, the FloorBot VR35 Max tackles dirt, dust, and debris on various floor surfaces with ease. Whether it's hardwood, tile, or carpet, this robot vacuum delivers exceptional cleaning performance every time. The FloorBot VR35 Max is designed for convenience and has a user-friendly interface and customisable cleaning options.

Experience the future of floor cleaning with the FloorBot VR35 Max. Sit back, relax, and let this intelligent robot vacuum take care of the dirty work for you.

## Product Specifications

<b>Output Voltage</b>	20V/0.9A
<b>Battery Capacity</b>	2600/3200/5200mAh
<b>Working Time</b>	>320 min
<b>Suction</b>	4000pa
<b>Noise</b>	<70db
<b>Cleaning Area</b>	>320m
<b>Net Weight / Gross Weight</b>	4.2/5.5 kg
<b>Product Size</b>	350 x 98mm

## Base Station Specifications

<b>Dust Bag Volume</b>	2.5L
<b>Clean Water Tank</b>	4L
<b>Sewage Tank</b>	4L
<b>Dust Collection Time</b>	10 seconds
<b>Suction</b>	25000pa
<b>Product Size</b>	409 x 476 x 480mm

## Unleash Unmatched Efficiency:

### Effortless Operation

Free your valuable staff from tedious cleaning tasks with the VR 35 Max's automated approach.

### Enhanced Productivity

Experience a significant boost in cleaning efficiency compared to traditional methods.

### Uninterrupted Coverage

Address large spaces with confidence, thanks to the VR35 Max's superior range and extended water tank capacity.

### Exceptional Performance

Advanced sensors and navigation ensure meticulous cleaning, even in complex environments.

### All-in-One Cleaning Power

Sweep, vacuum, mop, and disinfect in one go, ensuring a comprehensive clean for all floor types.

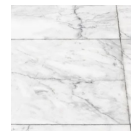

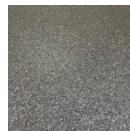

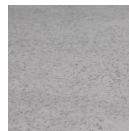

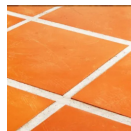

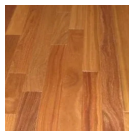

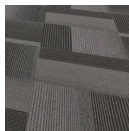

### Hygienic Disinfection

Eliminate harmful bacteria and viruses with the VR 35 Max's built-in disinfection function, promoting a healthier work environment.

## A Comprehensive Floor Cleaning Solution for Small to Medium Facilities:

### Applicable environments and flooring types

Hotels | Supermarkets | Workspaces | Retail Stores | Hospitals | Shopping Malls

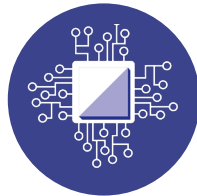

# Core Features:
