About FLOORBOTICS

FLOORBOTICS employs cutting-edge technology to create set-and-forget robotic cleaners that run autonomously 24/7. With just a simple touch of a button, our robots spring into action, work on your tasks, and then notify you once they have completed their assigned tasks. With the use of sophisticated “set and forget” technology, daily cleaning problems can be minimised, leading to significant reductions in your ongoing expenses.

Leader in Robotic Cleaning Solutions

Washing

Vacuuming

Sweeping

Mopping

4 Cleaning Functions

Maximise the effectiveness, efficiency, and consistency of your cleaning tasks

FloorBot VR 35

Compact commercial robot cleaner

The FloorBot VR 35 is the epitome of compact convenience in the realm of commercial vacuum robots.

It is designed to effortlessly navigate tight spaces and confined areas with ease. Equipped with advanced sensor technology, it adeptly maneuvers around obstacles while efficiently and quietly vacuuming floors. Despite its small size, the FloorBot VR 35 offers robust cleaning capabilities, making it an ideal choice for businesses seeking a discreet and efficient solution to maintain pristine floors in their commercial spaces.

FloorBot VR 35

Product Specifications

Dimensions (body size)	330 x 95mm
Robot weight	5 kg
Max walking speed	3ms
Charging time	360 minutes
Mopping & vacuuming time	1,5 hr
Cleaning efficiency	700 m ² /h
Dust bin capacity	0.45L
Cleaning modes	auto (mapping), spot, edge, scheduling, max
Battery capacity	14.8V, 2900mAH Li-ion
Rated power	22W
Suction motor	BLDC
Noise level	Auto <65 dB, Max <72 dB
Auto recharge	Yes
Suction power	Auto: 700pa, Max: 1600pa, Spot cleaning: 2000pa
Filtration	Cellular filter + high performance filter
Over current/voltage protection	Yes

FloorBot VR 35

Automated Scheduling

The FloorBot VR35's automated scheduling feature lets you program cleaning times for hassle-free cleaning routines.

All-in-One Cleaning Solution (Sweeping, Vacuuming and Washing)

This robot provides sweeping, vacuuming and washing functions for a thorough clean in one go.

Versatile Cleaning Capabilities

It effortlessly transitions between hard floors and carpets, ensuring effective cleaning on any surface.

Autonomous Return to Charging Post

The robot autonomously returns to its charging station, guaranteeing continuous cleaning coverage.

Sensor Fusion-Enabled Autonomous Navigation

Equipped with sensor fusion technology, it navigates autonomously, avoiding obstacles and ensuring efficient cleaning.

Customisable Cleaning Zones

Define specific areas for targeted cleaning, tailored to your needs.

No-Go Zones

Equipped with sensor fusion technology, it navigates autonomously, avoiding obstacles and ensuring efficient cleaning.

Cloud-Based Platform Management

Monitor and manage cleaning progress in the app and settings remotely through a cloud-based platform.

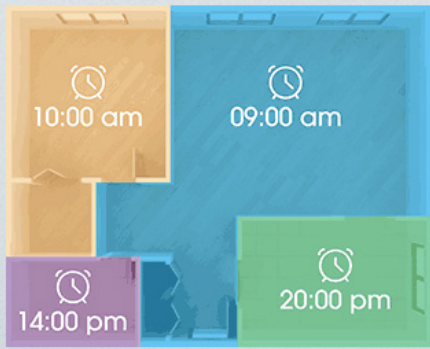

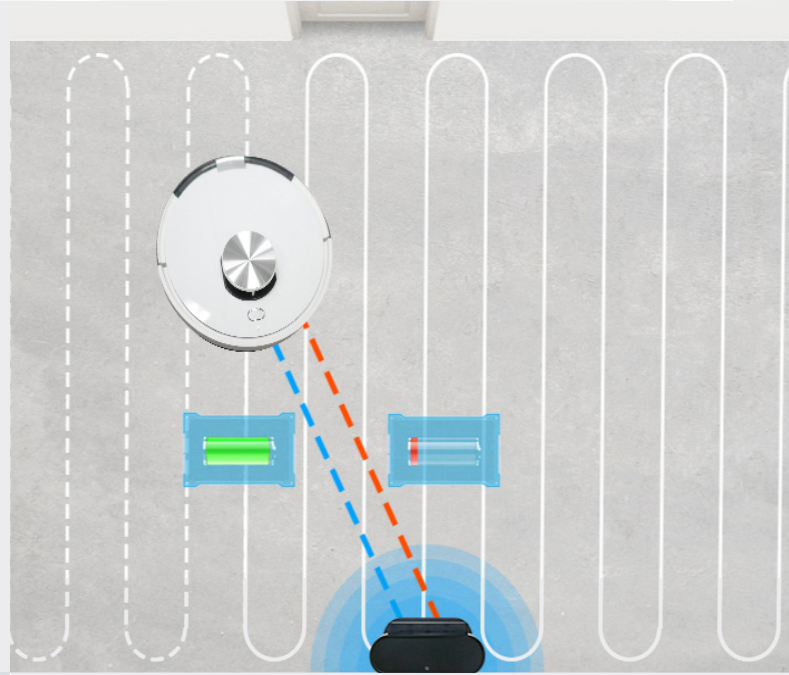

A Comprehensive Floor Cleaning Solution for Commercial Facilities.

Applicable environments and flooring types

Hotels | Workspaces | Offices | Sporting Centres | Public Venues

Auto-Recharging with Charging Station

Complete with a charging station for automatic recharging to prepare for the next working cycle. FloorBot VR 35 utilises smart detection and automatic sensors to navigate efficiently and avoid obstacles, ensuring thorough cleaning without the need for manual intervention.

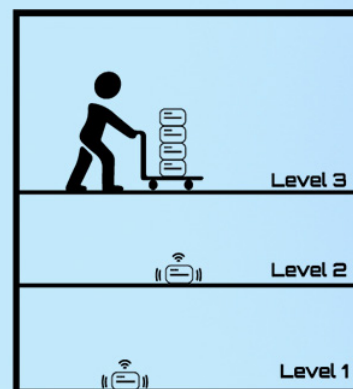

Smart Scheduling with Different Schedules and Times

FloorBot VR 35 offers the convenience of smart scheduling, allowing you to create and manage multiple, customised cleaning schedules to suit various days, times, and cleaning needs, ensuring a tailored cleaning solution for your unique lifestyle and space.

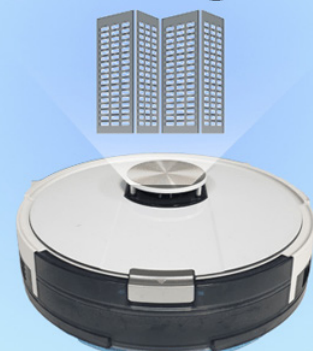

Place + Go Robotic Fleet Fully Automatic Smart Navigation

Bring a fleet of robots on a trolley and place them in their working zone. Pick them up at the end of the cleaning cycle.

Improved cleaning routes lower the frequency of turning and ensure higher adaptability to dynamic environment for greater efficiency.

Place + Go

FloorBot VR 35

Available in:

-  Autonomous mode
-  Schedule /fleet management
-  Desktop and mobile app
