

Superior and powerful vacuum cleaner

The VHS 40 vacuum cleaner series sets a new standard for design and feature level of the Nilfisk wet & dry vacuum portfolio. With innovative filtration system, improved performance and robust design, this range represents a superior solution for professional customers looking for a safe and reliable machine. VHS 40 comes with more suction power, sealed dust system, automatic filter cleaning and several other user benefits - designed to meet the tough requirements within manufacturing and building and construction industries.

VHS 40 offers a remarkable productivity thanks to the semi-automatic Push&Clean™ or automatic filter cleaning system InfiniClean™. The InfiniClean™ system ensures continuously cleaning of the filter during operation using a reversed air-flow pulse, keeping suction performance on a high level. The downtime is reduced significantly, as the container can be filled up without filter maintenance – even in the most demanding fine dust applications. Also the washable PTFE long-life filter minimizes maintenance and reduces the overall service cost. Easy handling and user-friendliness - also when it comes to transportation from one working site to another - are other valuable features for the VHS 40 vacuum cleaner. All models offer flexible storage solutions for tools and accessories, so everything you need is at hand.

Picture shown may not represent model quoted

- InfiniClean™ - Automatic filter cleaning system with minimised performance loss
- PTFE long-life filter with non-stick membrane and minimum 99,9% filtration efficiency
- Push&Clean™ - Semi-automatic filter cleaning system.
- Dust class L certification
- Unique dual filter solution available with HEPA filtration.
- Robust container with steel castors and bumper.
- MultiFit accessory system for the ultimate in task flexibility
- Flexible rubber straps, tool box storage and optional trolley handle for convenient storage and transport
- Optional motor cooling filter, exhaust air collector and Long-Life filter bag
- One year commercial warranty
