

Hot Shot Series Pressure Washer Jumbo - 3000psi / 21LPM

A beast of a machine the Jumbo hot water pressure washer is large heavy duty cleaner that annihilates dirt, fat, grease or anything else that gets in its way.

Ideal for the industrial sector this machine gets the job done quickly and gets it done properly! Features include the ability to double as a cold water system, time delayed stop, easy access for maintenance, lifting eyelets and the list goes on. The stainless steel cover gives long lasting protection to your investment and the low speed Interpump ceramic plunger pump offers much longer operational life than older style high speed machines. If you're cleaning up the difficult jobs this could be the answer to your prayers, so contact us and find out more.

- Stainless steel cover with powder coated steel frames with lifting eyelets
- Low speed ceramic plunger Interpump pump
- Low fuel indicator and low water cut off
- Can double as a cold water cleaner
- Delayed stop protects pump from excessive shock loading
- High pressure and low pressure detergent operation
- One year commercial warranty

Includes:

- 1200mm Gun, Lance and Nozzle
- 10m 3/8 inch Double Braided Hose
