

Cold Water Pressure Washer - Gearbox Driven 4000psi / 21LPM

The industrial GX690 Honda motor is coupled to a low speed Italian pump to provide consistent high pressure and flow so you can get your cleaning work done quicker. Putting out an impressive 4000psi and 21 l/min this water blaster is ideal for industrial wash down and maintenance work. The robust, high quality nature of this unit means you can rest assured it won't let you down! The HH4021 water blaster is a worthy investment for anyone in the contract cleaning business. Note: Kerrick can customise flow, pressure and layout/mounts to suit your needs.

Water blasters don't get much more rugged than this...Mounted in an industrial roll frame to protect your asset from accidental damage this unit comes with a lifting point so it can be hoisted easily in and out of vehicles.

- Top of the range PSI and water flow volumes - these industrial pressure washers are ideal for industrial wash down and maintenance work
- Mounted in an industrial roll frame for protection in the most rugged environments
- Includes lifting point for hoisting into and out of vehicles
- Low speed motor for consistent high pressure
- Electric start Honda V twin 20HP industrial motor
- 12 V Battery
- Thermal dump valve
- Heavy duty by-pass valve, pressure gauge and filtration on all fittings
- Flow, pressure and layout/mounts can be customised to suit your needs
- One year commercial warranty

Includes:

- Swivel Gun and Double Lance with Nozzles
- 10m Double Braided Hose 3/8 inch

- Standard equipment
