

REINVENT HOW THE WORLD CLEANS

T300

Walk-behind floor scrubber

Delivering high performance, consistent results for virtually any hard surface condition while lowering cleaning costs.

Available technologies

ec-H2O NanoClean® technology

Pro-Membrane™ or Pro-Panel™

IRIS® Asset Manager

Productive & versatile

1. Insta-Click™ magnetic head

Patent-pending head allows TennantTrue® pads and brushes to be installed ergonomically, resulting in a safer, faster, low-touch installation.

2. Optimal performance

Help lower your labor costs and improve cleaning performance with optimal down pressure and high RPM.

3. Yellow touch points

Helps prevent breakdown and simplifies preventative maintenance and training requirements.

4. Accessory tray

Keep the cleaning supplies you need at hand, reducing trips to the janitor closet.

5. Easy cleaning

Programmable Zone Settings™ for standardization of cleaning processes with optional Pro-Panel.

6. Quiet-mode

Reduce noise levels as low as 58 dBA for daytime cleaning without disruption. Perfect for healthcare, education, and office cleaning.

Get the performance you need

The T300 scrubbers have multiple machine head types to fit your cleaning applications and optimise cleaning performance for specific areas.

Single disk:
500 mm

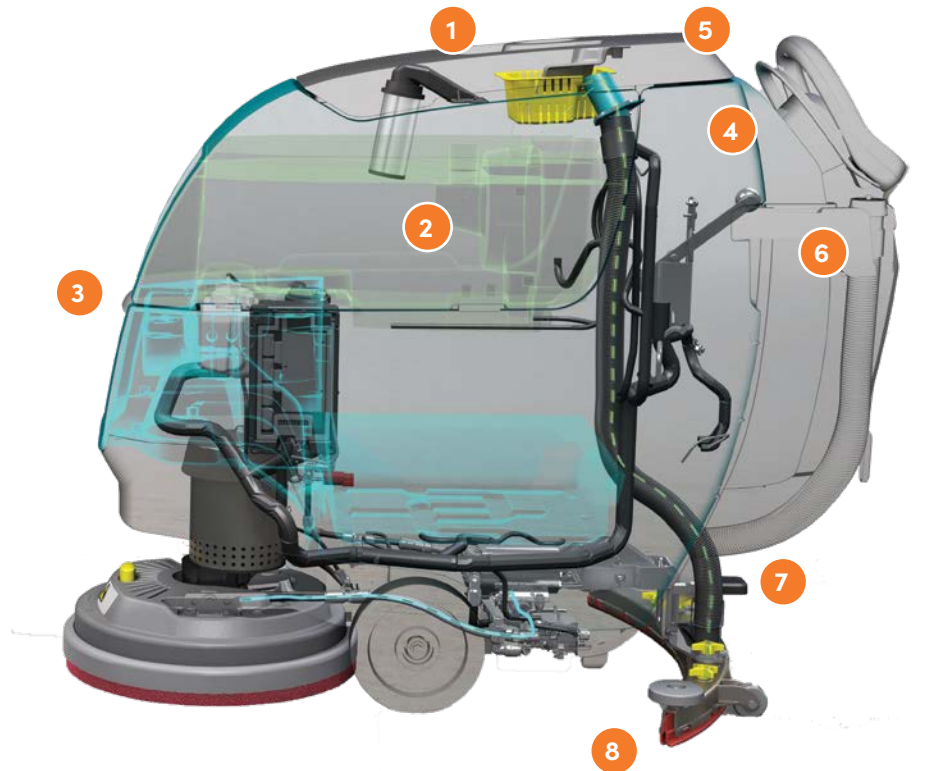

Dual disk:
600 mm

Orbital:
500 mm

Inside the T300

1. Hygienic® recovery tank

The tank allows easy access when cleaning to help reduce mold, bacteria and other contaminants that can grow in the enclosed tank.

2. Vacuum motor

When operated in quiet mode, T300 can operate as quiet as 58 dBA.

3. Easy fill port

Fill the unit simpler, faster and reduce the chance of spills.

4. Battery venting

On-board charger with fan and integrated venting allows batteries to charge safely with lid closed.

5. On-board machine instructions

Ensure the machine is operated in safe manner for optimum results.

6. Optional flow control valve

Reduce the risk of contact with dirty recovery water and help control drain flow rate.

7. Foot activated squeegee

More ergonomic for operator safety and enables faster, easier installation of replacement TennantTrue® squeegee blades.

8. Water recovery

Squeegee provides excellent water recovery to help reduce slips and falls.

T300 specifications

	SINGLE DISK	DUAL DISK	ORBITAL
	500 mm	600 mm	500 mm
Productivity (per hour) Theoretical Max	1,858 m ²	2,230 m ²	1,858 m ²
Estimated Coverage* Conventional	1,388 m ²	1,697 m ²	1,388 m ²
Estimated Coverage* ec-H2O NanoClean®	1,437 m ²	1,756 m ²	1,437 m ²
Scrub motor	750 W	750 W	450 W
Brush/pad RPM	230 rpm	285 rpm	2,200 rpm
Brush/pad pressure	23, 35, 41 kg	26, 37, 44 kg	29, 42, 49 kg
Solution tank capacity	42 L	42 L	42 L
Recovery tank capacity	53 L	53 L	53 L
Vacuum motor	470 W	470 W	470 W
Vacuum waterlift	1,067 mm	1,067 mm	1,067 mm
System voltage	24 volt	24 volt	24 volt
Battery Run Time (up-to hours)**	2.5	3.0	3.8
Length x width x height	1,372 x 559 x 1,095 mm	1,314 x 660 x 1,095 mm	1,245 x 521 x 1,095 mm
Weight (with Batteries)	181 kg	168 kg	188 kg
Sound level (operator's ear)***	65 dBA	66.5 dBA	66.4 dBA
Quiet-Mode (operator's ear)***	58 dBA	59.1 dBA	57.6 dBA

ec-H2O NanoClean® technology is NFSI (National Floor Safety Institute) Certified

ec-H2O NanoClean® technology is registered by NSF International

* Estimated coverage rates use the practical speed and empty/fill time standards from the 2004 ISSA Cleaning Times handbook.

** Run times are based on continuous scrubbing run times

*** Sound levels per ISO 11201 as recommended by the American Association of Cleaning Equipment manufacturers & OSHA. Specifications subject to change without notice.

Tennant – Reinvent how the world cleans

With a vision to become a global leader in sustainable cleaning innovation that empowers our customers to create a cleaner, safer and healthier world, Tennant creates solutions that are changing the way the world cleans.

We are where you are

Tennant has the industry's largest direct sales and service organization and a well-supported network of authorized distributors worldwide.

Solutions for your unique needs

Whatever your cleaning needs, Tennant offers a variety of high quality equipment to help you increase your cleaning productivity.

Buying, leasing, renting

We offer flexible options to get you the machines you need, however you need them.

TennantTrue®

Optimize equipment performance and protect your investment with TennantTrue® parts and service.
