Pressure Pro Magnum Hot Water Skid - 3500psi / 21LPM

The Pro Super Series Skid Petrol is a stationary hot water pressure cleaner with heavy duty brass pump and ceramic pistons, powered by a Honda GX630 motor with electric start. The triple belt drive system results in balance transfer for high efficiency and output.
These machines come with a large engine and burner for extra long run times. The heavy duty protective frame is a rugged stainless steel roll cage with lifting hook. Designed for easy truck or trailer mount to tackle even the most rigerous of cleaning jobs. Each frame chassis has forklift access and dual balancing lifting points. Vibration isolation technology provides smooth operation, preventing wear and tear on vital components.
Featuring a super efficient insulated schedule 80 coil - the coil design utilises robotic welding for consistent flow and heat rise. Regulated by burner control box, adjustable thermostat and high limit over temp protection. Convenient pump and oil drains within easy reach for scheduled preventative maintenance.
Other features include safety pressure release valve, reliable beckett burners, stainless steel coil wrap, dual diesel and petrol fuel tank with fuel filter, all backed with a one year commercial warranty.

Picture shown may not represent model quoted

- Designed for easy truck or trailer mount
- Rugged stainless steel roll cage frame with forklift access and dual balancing lift points
- Heavy duty brass pump and ceramic pistons
- Honda GX630 motor with electric start
- Vibration isolation technology provides smooth operation, preventing wear and tear on vital components
- Convenient pump and oil drains within easy reach for scheduled preventative maintenance
- Safety pressure release valve
- Reliable Beckett burners
- Poly diesel fuel tank with fuel filter
- Fuel Tanks 45 (Diesel) & 45 (Petrol)
- Stainless steel coil wrap
- Super efficient insulated schedule 160 coil

Includes:

- Maxi-Flo Chemical Injector QC assembly
- Gun/Wand assembly with Insulated Grip
- 15m HP Hose with Quick Connects
- Colour Coded QC Spray nozzles x 4
- Colour Coded QC Chemical nozzle
