i-Scrub 21 Battery

- the lightweight for heavy jobs.

A unique versatile scrubbing machine developed for professionals.

i-Scrub 21 Battery

- the lightweight for heavy jobs. A unique versatile scrubbing machine developed for professionals.

i-Team based on a modular construction with a telescopic shaft and a adjustable scrubber head. The tank with a electric pump comes as an option.

Product specification:	
Scrubbing area:	210 mm
Min clearance:	95mm
Weight scrubbing head :	0,9 kg
Weight incl. wand:	approx. 1,7 kg
Adjustable length:	915-1270 mm
Voltage:	12 volt DC
Gearbox with ballbearings	
Speed:	400 rpm

i-Team is designed with the user in mind, simple to handle and economical. The extremely low weight 2,3 kilos (4,9 lbs) and practical design makes it ideal for cleaning in areas where manual methods presently are used.
i-Team has an "ergonomically" designed handle with many features such as adjustable variable shaft length and angle.
The heavy duty battery lasts up to 2-3 hours.
The brushes are designed for hard to reach areas, corners and niches. i-Team has a snap on attachment grip for the scrubber head, for easy replacement.

Detachable scrubber head unit now with a handle.

Hard to reach areas in bathrooms, toilets and changing rooms etc.

Ideal for cleaning of staircases, scrubbing and polishing hard to reach areas.

Lightweight i-Team makes cleaning of shower and tile walls really easy.
